**11 – 18 September 2016**

**Discover the untouched beauty of East Timor**

The Tour de Timor is an international mountain bike race, held in 5 stages in Timor Leste.

Famed for its smooth seaside rides, gruelling climbs, spectacular mountain views and unprecedented crowd support, riders will be treated to a rare and special insight into Timor's unique geography, environment, people and culture.

Roads across Timor-Leste vary from smooth modern bitumen roads, gravel mixes to dirt and mountain bike tracks. Beware of the odd spectacular pothole!

Timor-Leste also known as East Timor is an exciting new tourism destination and now is a special time to visit. Timorese, with beautiful smiles, will welcome you to their country and all it has to offer. This tiny nation, after its recent turbulent past, has become a peaceful democracy.

Dili is a great base from which to explore [Timor-Leste's](#) untouched wilderness, and the city's finest experience is arguably a day trip to [Atauro Island](#), which is ever visible from the city's shores. Accessible by ferry (two hours) or speedboat (one hour) booked through one of Dili's numerous dive shops, Atauro boasts pristine beaches and prismatic coral reefs just metres from the shore that make for immensely rewarding snorkelling.
